1.56 *amateur service:* A *radiocommunication service* for the purpose of self-training, intercommunication and technical investigations carried out by amateurs, that is, by duly authorized persons interested in radio technique solely with a personal aim and without pecuniary interest.

1.57 *amateur-satellite service:* A *radiocommunication service* using *space stations* on earth *satellites* for the same purpose as those of the *amateur service*.

Reasons: The U.S. is not proposing any changes to Article **25** that would require consequential changes in the terms and definitions in Article **1**.
